Subject: Project Award Recommendation in the Amount of \$173,748.00 Between Raydan Electric, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Traffic Signal Installation at SW 143 Street and SW 137 Avenue in Commission Districts 9 and 11 (**Project – CICC 7360-0/08 RPQ No. 20060172**)

RECOMMENDATION

The attached **Project Award Recommendation** for Traffic Signal Installation at SW 143 Street and SW 137 Avenue in Commission Districts 9 and 11 (Project – CICC 7360-0/08 RPQ No. 20060172), in the amount of \$173,748.00, between Raydan Electric, Inc. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

BACKGROUND

In an effort to accelerate the continued success of the People's Transportation Plan (PTP) Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms, such as the subject Miscellaneous Construction Contracting (MCC) process available under the Office of Capital Improvements (OCI) contract CICC 7360-0/08. Through this process, PWD forwards the Request for Price Quotation (RPQ), by way of facsimile transmission and US-mail, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the Miami Herald, Daily Business Review and the Diario De Las Americas in order to increase participation among firms that may not have pre-registered with OCI. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff submitted the referenced project to the Department of Business Development's (DBD) Review Committee on May 31, 2006. The Review Committee reviewed and recommended no contract measures for RPQ 20060172. Therefore, on June 1, 2006, PWD issued an RPQ for the aforementioned project and forwarded it to a list of 11 pre-registered firms from the OCI database as noted above. Four (4) firms purchased contract documents and three (3) firms proffered a bid. As a result, on July 11, 2006, PWD issued a recommendation of award for RPQ 20060172 to Raydan Electric, Inc., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to complete the traffic signal installation including any ancillary work at the intersection of SW 143 Street and SW 137 Avenue. The project also consists of the installation of grounding electrodes, conduits, pull boxes, foundations, pedestrian signal heads and buttons with signs, mounting hardware, signal and power cable. Additional improvements include installing vehicle detection loops, signage, pavement markings and removing existing signs and

pavement markings in conflict with the proposed work. The base contract amount is \$156,000.00, but the total allocated amount is \$173,748.00, which is inclusive of the contingency dedicated allowances.

The contractor, Raydan Electric, Inc., is currently performing work for PWD at an above satisfactory level as reported by the Project Manager. PWD has reviewed the OCI database and found six (6) awarded contracts for Raydan Electric, Inc. The referenced database also lists a total of four (4) contractor performance evaluations from PWD, all with above satisfactory ratings. The remaining contracts are still under construction or in the preliminary stages.

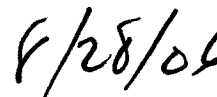

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will continue to be the PTP Coordinator, Mr. David Tinder, P.E. Following completion of the award process, the project will be assigned to Mr. Oscar Rubio, P.E., Construction Coordinator, for day to day responsibilities.

FISCAL IMPACT

The fiscal impact will be approximately \$173,748.00 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for each project will be allocated from the respective Commission District PTP yearly allocations.

No. 20060172 - CICC 7360-0/08
People's Transportation Plan (PTP)
Traffic Signal Installation –
S.W. 143rd Street and 137th Avenue

Dear Mr. Reyes:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Friday, June 30, 2006. The total RPQ amount is one hundred seventy-three thousand seven hundred forty-eight dollars and zero cents (\$173,748.00). This includes a base contract amount of one hundred fifty-six thousand dollars (\$156,000), a contingency amount of fifteen thousand six hundred dollars (\$15,600), and dedicated allowances totaling two thousand one hundred forty-eight dollars (\$2,148). The contract duration is established as 120-calendar days. However, the award is contingent upon the submission of the required items listed below:

Copies of current insurance certificates
Copies of required licenses(s)

The preceding documents are required as outlined within Contract CICC-7360-0/08 and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned Documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

After receipt of the permits the Project Manager will schedule a Pre-Construction Conference and issue a Notice to Proceed authorizing the performance of the work.

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Further, it shall be understood that since proceeds from the Charter County Transit System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Please contact Ms. Laurie Johnson, CICC office, at (305) 375-2606 to insure that your file is complete for award consideration.

Should you have any questions please contact me at (305) 375-2930.
